Please accept these comments as restated below from
Proponents original petition.

Petitioner respectfully submits that the public interest would be served by allocating Channel 256C3 to Fredericksburg, Texas as that community's first competing FM service. Fredericksburg is an incorporated community with a population of 8,911 people.¹ Fredericksburg has its own mayor, its own post office, its own independent school system, fire department, city offices and a number of local churches. 910 businesses in Fredericksburg have been given a credit rating by Dun and Bradstreet as of the last quarter of 2000.² The proposed Channel 256C3 will provide

additional diversity and an outlet for local self-expression to Fredericksburg residents and therefore is in the public interest.

Should this petition be granted and Channel 256C3 is allotted to Fredericksburg, Texas, Petitioner will apply for Channel 256C3 at Fredericksburg and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
